Trouble the Water

Directed and produced by **Tia Lessin** and **Carl Deal**
Executive produced by **Danny Glover** and **Joslyn Barnes**

Winner of the Grand Jury Prize at the 2008 Sundance Film Festival, this astonishingly powerful documentary takes you inside Hurricane Katrina in a way never before seen on screen. Incorporating remarkable home video footage shot by Kimberly Rivers Roberts—an aspiring rap artist trapped with her husband in the 9th Ward—*Fahrenheit 9/11* and *Bowling for Columbine* producers Tia Lessin and Carl Deal weave this insider’s view of Katrina with a devastating portrait of the hurricane’s aftermath. *Trouble the Water* is a redemptive tale of self-described street hustlers who become heroes—two unforgettable people who survive the storm and then seize a chance for a new beginning.
